12 (a) IN GENERAL.—Not later than January 1, 2020,  
13 the Medicaid and CHIP Payment and Access Commission  
14 established under section 1900 of the Social Security Act  
15 (42 U.S.C. 1396) shall conduct an exploratory study,  
16 using data from a representative sample of States, and  
17 submit to Congress a report on at least the following infor-  
18 mation, with respect to services furnished to individuals  
19 enrolled under State plans under the Medicaid program  
20 under title XIX of such Act (42 U.S.C. 1396 et seq.) (or  
21 waivers of such plans) who are patients in institutions for  
22 mental diseases and for which payment is made through  
23 fee-for-service or managed care arrangements under such  
24 State plans (or waivers):

1                   (1) A description of such institutions for mental  
2                   diseases in each such State, including at a min-  
3                   imum—

4                   (A) the number of such institutions in the  
5                   State;

6                   (B) the facility type of such institutions in  
7                   the State; and

8                   (C) any coverage limitations under each  
9                   such State plan (or waiver) on scope, duration,  
10                  or frequency of such services.

11                  (2) With respect to each such institution for  
12                  mental diseases in each such State, a description  
13                  of—

14                  (A) such services provided at such institu-  
15                  tion;

16                  (B) the process, including any timeframe,  
17                  used by such institution to clinically assess and  
18                  reassess such individuals; and

19                  (C) the discharge process used by such in-  
20                  stitution, including any care continuum of rel-  
21                  evant services or facilities provided or used in  
22                  such process.

23                  (3) A description of—

1                             (A) any Federal waiver that each such  
2                             State has for such institutions and the Federal  
3                             statutory authority for such waiver; and

4                             (B) any other Medicaid funding sources  
5                             used by each such State for funding such insti-  
6                             tutions, such as supplemental payments.

7                             (4) A summary of State requirements (such as  
8                             certification, licensure, and accreditation) applied by  
9                             each such State to such institutions in order for  
10                            such institutions to receive payment under the State  
11                            plan (or waiver) and how each such State deter-  
12                            mines if such requirements have been met.

13                            (5) A summary of State standards (such as  
14                             quality standards, clinical standards, and facility  
15                             standards) that such institutions must meet to re-  
16                            ceive payment under such State plans (or waivers)  
17                            and how each such State determines if such stand-  
18                            ards have been met.

19                            (6) Recommendations for actions by Congress  
20                            and the Centers for Medicare & Medicaid Services.  
21                            such as how State Medicaid programs may improve  
22                            care and improve standards and including a rec-  
23                            ommendation for how the Centers for Medicare &  
24                            Medicaid Services can improve data collection from  
25                            such programs to address any gaps in information.

1       (b) STAKEHOLDER INPUT.—In carrying out sub-  
2 section (a), the Medicaid and CHIP Payment and Access  
3 Commission shall seek input from State Medicaid direc-  
4 tors and stakeholders, including at a minimum the Sub-  
5 stance Abuse and Mental Health Services Administration,  
6 Centers for Medicare & Medicaid Services, State Medicaid  
7 officials, State mental health authorities, Medicaid bene-  
8 ficiary advocates, health care providers, and Medicaid  
9 managed care organizations.

10      (c) DEFINITIONS.—In this section:

11           (1) REPRESENTATIVE SAMPLE OF STATES.—  
12          The term “representative sample of States” means  
13          a non-probability sample in which at least two  
14          States are selected based on the knowledge and pro-  
15          fessional judgment of the selector.

16           (2) STATE.—The term “State” means each of  
17          the 50 States, the District of Columbia, and any  
18          commonwealth or territory of the United States.

19           (3) INSTITUTION FOR MENTAL DISEASES.—The  
20          term “institution for mental diseases” has the mean-  
21          ing given such term in section 435.1009 of title 42,

1       Code of Federal Regulations, or any successor regu-  
2       lation.

Passed the House of Representatives June 12, 2018.

Attest:                             KAREN L. HAAS,  
*Clerk.*
